

Information on membership of the European Electronics Recyclers Association – EERA

Admission of members

Membership of EERA is open to European Electronics Recycling Companies that process and treat waste from electrical and electronic equipment (WEEE) in Europe.

Any company who wishes to be a full member shall send a written application for such membership to the secretariat of the association, who shall submit the application to the Board of Directors of EERA.

Regarding full members, the General Assembly examines the candidacy and decides on it at its next meeting.

To be eligible, the candidate must also:

- Be acquainted with the Articles of Association and the internal regulation, like the EERA Charter, and agree to abide them;
- Be prepared to demonstrate its concurrence with the objectives and policies of the Association by producing appropriate documentary evidence, if required.

Contributions

The full members are obliged to pay a yearly contribution, which is determined by the General Assembly, upon the proposal of the Board of Directors, according to the estimated budget.

Any member who is admitted into the association pays the full contribution for the current year.

The contribution is paid upon request of the Treasurer of the Board of Directors or his designate, within four weeks.
